1. Normal movement of villagers to Gorna-Dzhumaya, Dupnica, Sofia and other large cities has been forbidden without a permit from the village president. This measure was taken as a control precaution because Bulgarian guerrillas have been coming down into the villages.
2. At the beginning of March in the village of Sklave, six kilometers northwest of Melnik, Bulgarian guerrillas entered and looted the food supply. Thirty men from the village left with the guerrillas.
3. On 10 April 1948 Bulgarian guerrillas attacked the Pirin railroad station and looted foodstuffs. They also abducted two railroad employees.
4. Since the villages of Pirin, Upper Susitza, Uroman, and Karlanovo are sources of food for the Bulgarian guerrillas, they have been ordered evacuated.
